

The San Bernardino
Teachers Association
invites you to attend
“Generation Debt:
Student Loan Forgiveness”

Student loans have been in deferment since March 2020 and that deferment period recently ended. In addition, with the Supreme Court decision many members have questions about student loans, how to lower their monthly payment, and begin the process of forgiveness. This session will cover updated policy decisions and attendees will learn about the three loan forgiveness programs from the U.S. Department of Education. We'll also discuss the requirements for each, pitfalls to be cautious of, and the “*NEA Student Debt Navigator*” powered by Savi, which is a tool to help association members analyze their personal student loans. Members will leave with a better understanding of this process and how to navigate it.
