

The San Bernardino Teachers Association invites you to attend

“GENERATION DEBT: STUDENT LOAN FORGIVENESS”

Student loans have been in the news recently, and many SBTA members are wondering what they should do to remain eligible for the programs. During this session we'll review the two student loan forgiveness programs, requirements for both, pitfalls to be cautious of, and proactive steps members can take to document where they are in the process. Members will learn about the “NEA Student Debt Navigator” powered by Savi, which is a tool to help association members analyze their personal student loans. Members will leave with a better understanding of what steps they should take.
